Pastor:

The family listed above is applying for admission/re-enrollment in our school. One of our requirements for admission/re-enrollment is that the family regularly attend the services of a Bible-preaching church. Our doctrinal statement is included with this form.

We seek to be an aid and reinforcement to the home as well as the local church. In keeping with this commitment, we request a pastor reference in order to determine if our school ministry would in any way impede your work with this family. Please read our doctrinal statement and then fill out the information on the back of this sheet. Please feel free to include any additional comments or information you feel would be helpful in making a determination regarding acceptance. Please return this form directly to our school office. Thank you for your assistance.
